SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK  
ON LICENSE 050077970

REF: 2006 BLUE LANTERN GUIDEBOOK

[¶1](#). This is an Action Request. See paragraphs 2-4.

[¶2](#). The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Embassy's assistance in conducting a post-shipment check on license 050077970 for the export of C-130 aircraft and S-61 helicopter spare parts to Denmark. Embassy is requested to complete this Blue Lantern check within 45 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

[¶3](#). Reason for request: Concerns about the business practices of the U.S. applicant, Associated Aircraft, and need to verify its relationship with the end user.

[¶4](#). ACTION: Embassy is requested to make inquiries with appropriate host government officials to determine if the Danish Defence Acquisition and Logistics Organization has received the C-130 and S-61 parts and that the articles are being used for the purpose stated on the license. Export data indicates that items worth \$2,310 shipped from the United States on April 22, 2008. Due to lack of documentation from the end user, post is requested to exercise its contacts within the Danish MOD to verify this order.  
END ACTION.
